Hi John
Below are draft BOH minutes for Alissa Brewer, per her request.

A. Medical Marijuana Dispensary

The Board of Health (BOH) received and reviewed correspondence sent to the Amherst Select Board. The letter serves to notify that Hampden Care Facility, Inc. (HCF) intends to locate a registered marijuana facility in Amherst. The BOH noted the notice does not include specific site information or a developed business plan. Ms. Federman pointed out the Department of Public Health now accepts and reviews applications for Registered Marijuana Dispensaries (RMD) on a rolling basis. All applicants are required to provide a letter of support or non-opposition from the municipality where they intend to locate the RMD. The BOH agreed the applicant has not provided sufficient information to provide comment at this time.
